AIMS

THE ECOLOGICAL SOCIETY OF AMERICA was founded in 1915 for the purpose of giving unity to the study of organisms in relation to environment, as a means of furthering interchange between persons who are approaching widely different groups of organisms from closely related points of views, for the stimulation of ecological research, and to assist the development of the utilities which may be served by ecological principles.

MEMBERSHIP

Membership is open to persons who are interested in the advancement of ecology or its applications, and to those who are engaged in any aspect of the study of organisms in relation to environment.

The following classes of membership and their annual dues for 1984 are:

Associate Members: \$20.00

Active Members: \$45.00

Sustaining Members: \$60.00

Student Active Members: \$35.00

Student Sustaining Members: \$50.00

Emeritus Members: Special rates available
(contact the Business Manager for information)

Family: \$10.00 (Resides in same household as member of another class)

Active, Student Active, Sustaining, and Student Sustaining Members receive *ECOLOGY*. *Sustaining and Student Sustaining Members* also receive *ECOLOGICAL MONOGRAPHS*, the quarterly journal for longer articles. Members in arrears for dues will, on payment, be supplied with back numbers for up to one year, but the journals do not hold themselves responsible for reserving back numbers in anticipation of payment of back dues.

All members receive the *BULLETIN OF THE ECOLOGICAL SOCIETY OF AMERICA*, issued by the Society in March, June, October, and December. It contains announcements of meetings and excursions of the society, abstracts of papers, programs, items of current interest to members, and occasional membership lists.

Associate Members do not receive *ECOLOGY* or *ECOLOGICAL MONOGRAPHS* and are not eligible for office, but may become members in any one of the above classes upon payment of the appropriate dues.

Application blanks for membership may be obtained from the Business Manager, to whom all correspondence concerning membership should be addressed. Checks accompanying membership application should be made payable to the *ECOLOGICAL SOCIETY OF AMERICA*.
